

EXECUTIVE MAYOR JOINS PREMIER ACE MAGASHULE IN AN OPERATION HLA SELA OUTREACH PROGRAMME

The Executive Mayor of Thabo Mofutsanyana District Municipality, Councillor Malefu Vilakazi, last week Tuesday joined the Premier Ace Magashule and Members of the Executive Council of the Free State Provincial Government on an Operation Hlasela Outreach Campaign in the township of Meqheleng in Ficksburg in the Setsoto Local Municipality.

Also accompanying the entourage was the Speaker of Thabo Mofutsanayana District Municipality, Councillor Mbothoma Maduna, and the district municipality's Chief Whip, Councillor Mandla Radebe.

The Campaign was used a platform to engage the community and to amplify achievements of the Government as well as highlight challenges and plans to resolve such.

Operation Hlasela, as the overarching programme of action of the Free State Provincial Government, is aimed at aligning the activities, resources and programmes of the three spheres of Government in a coordinated manner that avoids duplication and waste of resources in response to the attainment of the objectives of government as articulated in the five key priorities.

It provided political principals with the opportunity to engage directly with the public and also for citizens to engage face-to-face with political principals, to celebrate successes and to address challenges on implementation of Government programmes.

Some of the activities on the day included, among others, demolition of old houses, announcement of crime statistics, opening of Itekeng ECD and Disability Centre, mass meeting with the community and donation of food parcels and school uniforms.
