

WELL DONE CLASS OF 2013!!!!

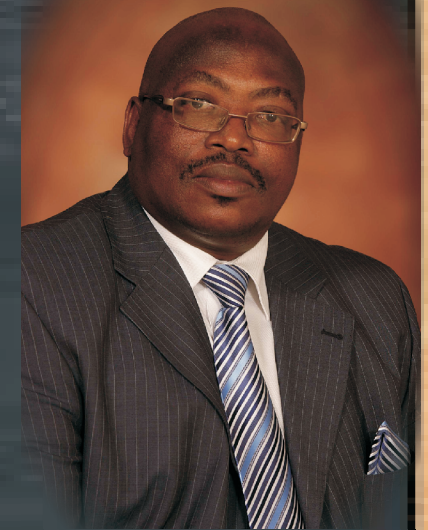

On behalf of Thabo Mofutsanyana District Council we would like to congratulate our Grade 12 learners in Thabo Mofutsanyana District for their achievements in 2013 final exams.

We are so much proud of our district for scoring such a record pass of 88,4% last year and it was a work well done. It was all because of sheer hard-work, commitment and determination.
CONGRATULATIONS!

Many a thanks to learners, teachers, parents, school governing bodies, district authorities and all stakeholders involved in the education of our children. **WELL DONE TO THE CLASS OF 2013!**

To those, who did not make it, it is never too late to pick yourself up and give it a try again. Make use of opportunities availed by the Department of Basic Education to rewrite your examinations and prove that you too have what it takes to succeed. Never give up!

With the start of yet another schooling year 2014, we would also like to encourage those in Grade 12 to work hard and do their best at the end of the year.
